)	<u>OF MAGISTRATE JUDGE</u>
Defendant.)	

Pursuant to General Order 99-49, this case was referred to United States Magistrate Judge George J. Limbert for the purposes of receiving, on consent of the parties, Defendant's offer of a plea of guilty, conducting the colloquy prescribed by Fed. R. Crim. P. 11, causing a verbatim record of the proceedings to be prepared, referring the matter for presentence investigation, and submitting a Magistrate Judge's Report and Recommendation stating whether the plea should be accepted and a finding of guilty entered. The following, along with the transcript or other record of the proceedings submitted herewith, constitutes the Magistrate Judge's Report and Recommendation concerning the plea of guilty proffered by Defendant.

1. On December 9, 2009, Defendant Bryon Harper, accompanied by Attorney J. Scott Broome, executed a consent to referral of his case to a United States Magistrate Judge for the purpose of receiving his guilty plea.

2. Defendant Harper executed a waiver of indictment and consented to prosecution by information, which the undersigned approved.

3. Defendant Harper then proffered a plea of guilty to the sole count in the Information filed on November 17, 2009.

4. Prior to such proffer, Defendant Harper was examined as to his competency, advised of the charges and consequences of conviction, informed that the Court is not bound to apply the Federal Sentencing Guidelines but must consult the guidelines and take them into consideration when it imposes the sentence and of the possibility of a departure from the Guidelines, notified of his rights, advised that he was waiving all of his rights except the right to counsel, and, if such were the case, his right to appeal, and otherwise provided with the information prescribed in Fed. Crim. R. 11.

5. Counsel informed the Court that there was a written, signed plea agreement between the parties. The undersigned was also advised that no commitments or promises have been made by any party, and no other agreements, written or unwritten, have been made between the parties.

6. The undersigned questioned Defendant Harper under oath about the knowing, intelligent and voluntary nature of the plea of guilty, and the undersigned believes that Defendant Harper's plea was offered knowingly, intelligently, and voluntarily.

7. The parties provided the undersigned with sufficient information about the charged offenses and Defendant Harper's conduct to establish a factual basis for the plea.

In light of the foregoing, and the record submitted herewith, the undersigned concludes that Defendant Harper's plea was knowing, intelligent, and voluntary and all requirements imposed by the United States Constitution and Fed. R. Crim. P. 11 have been satisfied.

Accordingly, the undersigned recommends that the plea of guilty be accepted and a finding of guilty be entered by the Court.
